“

Ann shared the reason why she wrote her book—to help the average person survive loss! Ann has effectively accomplished her purpose and she has an extraordinary talent for inspiring and encouraging others. Highly recommended.

*Peggy McColl
New York Times Best Selling Author
Manifestation Mentor*

"Ann brings so much emotion when keynote speaking. Her stories draw you in so intensely ... you feel the emotion and can relate it to your own life. She teaches through storytelling. I highly recommend hiring her if you want someone to inspire and motivate at your next event."

*Colleen Biggs
Business Coach & Strategist, Keynote Speaker & Author*

Ann Payton knows how to overcome and heal from trauma and adversity. As a speaker, radio host, and 2-time best-selling author, Ann's contagious presence engages her audience AND invites them to explore how to defeat adversity and trauma with a 5-step Adversity University program. She's worked in diverse industries and learned to coach people through challenging Situations.

With 30 years of experience as CEO in her own business, working in the fields of Real Estate Investing and Property management, Retail shopping, and online Amazon business, Ann has worked for Fortune 500 organizations and large companies like Domino's Corporation and Cook Medical Corporation.

Ann is not afraid to take risks when it comes to making a difference. She ran for office in her local area government as the Monroe County Treasurer and County Council and has been an active member of the Southern Indiana Braver Angels Alliance which is designed to bring all political parties together for peaceful discussion and communication about today's current issues.

Ann is also a leader and volunteer with Embrace Grace, a nonprofit that supports single pregnant women through partnership with local pregnancy centers.

Ann loves to help people through stories and the wisdom she learned through her journey with her best-selling books: *Hope Loss enCourage* and *Solutions Over Sides*
